

# JIMMY CARTER HAD A FARM

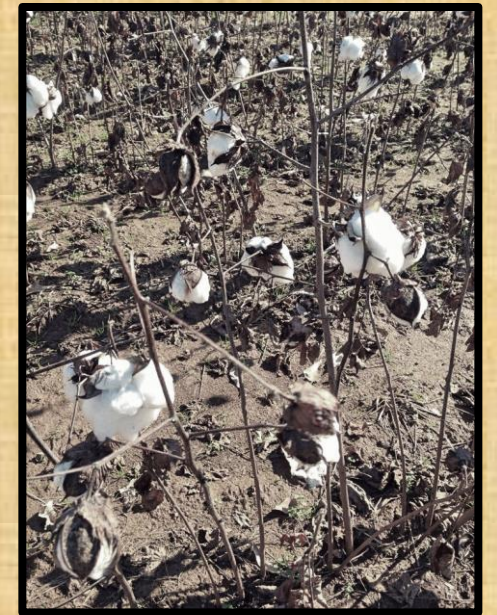

**Jimmy Carter grew up on a farm  
with his family.**

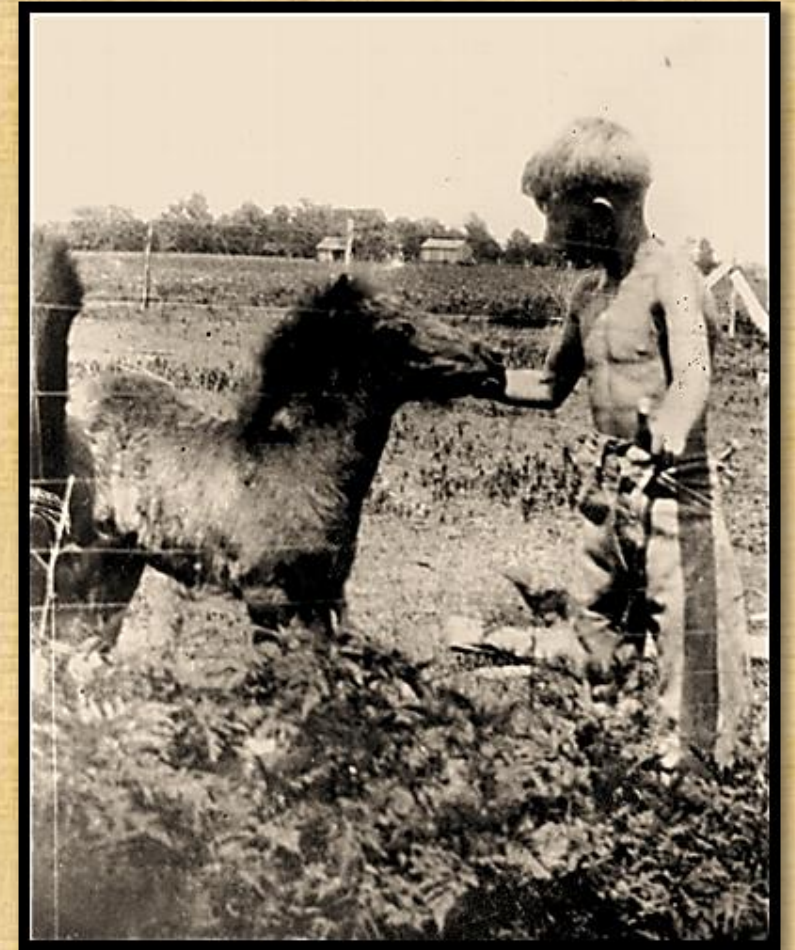

People who work on farms are called Farmers. Farmers grow food to keep us healthy and special crops to make clothes and items that we use every day.

When Jimmy was a young boy, he worked on the farm with his father. He would get up early each morning to help with chores. One of his chores was to plant seeds in the garden to grow food for his family.

# Plants grow from seeds.

**Collard Greens**

**Squash**

**Green Beans**

**Corn**

**Okra**

**Tomato**

**Seeds need soil, sunshine,  
and water to grow.**

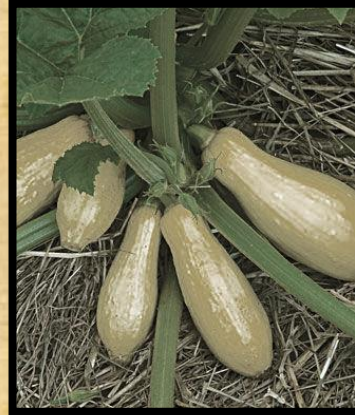

# These are some of the fruits and vegetables that grew in the Carter's garden?

**Sweet Potatoes**

**Collards**

**Squash**

**Green Beans**

**Tomatoes**

**Bell Peppers**

**Okra**

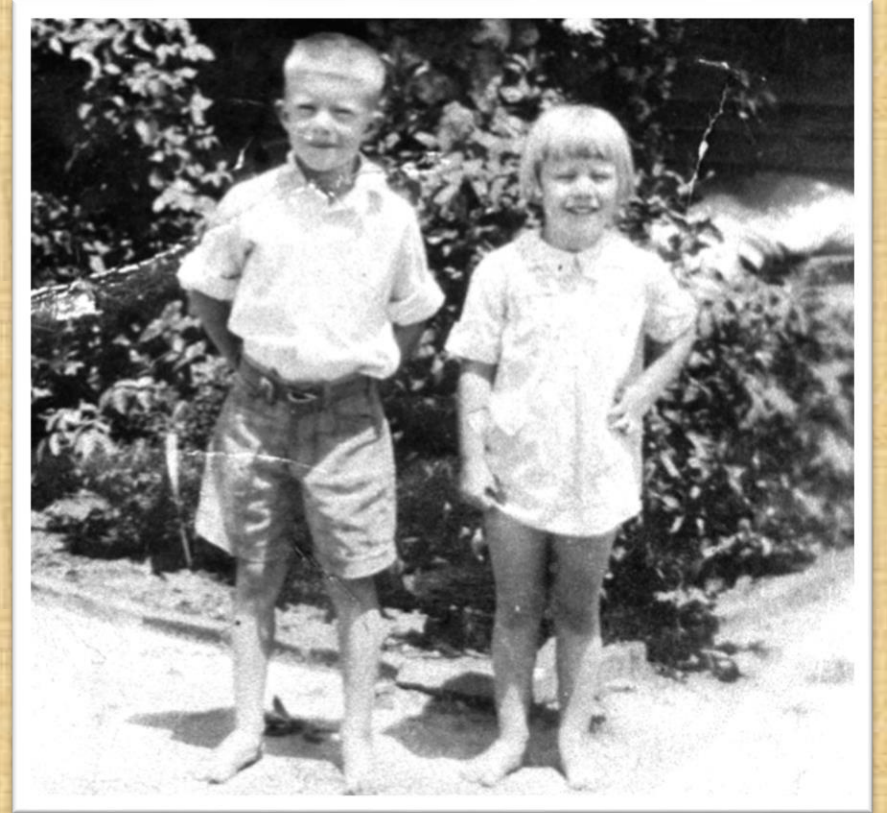

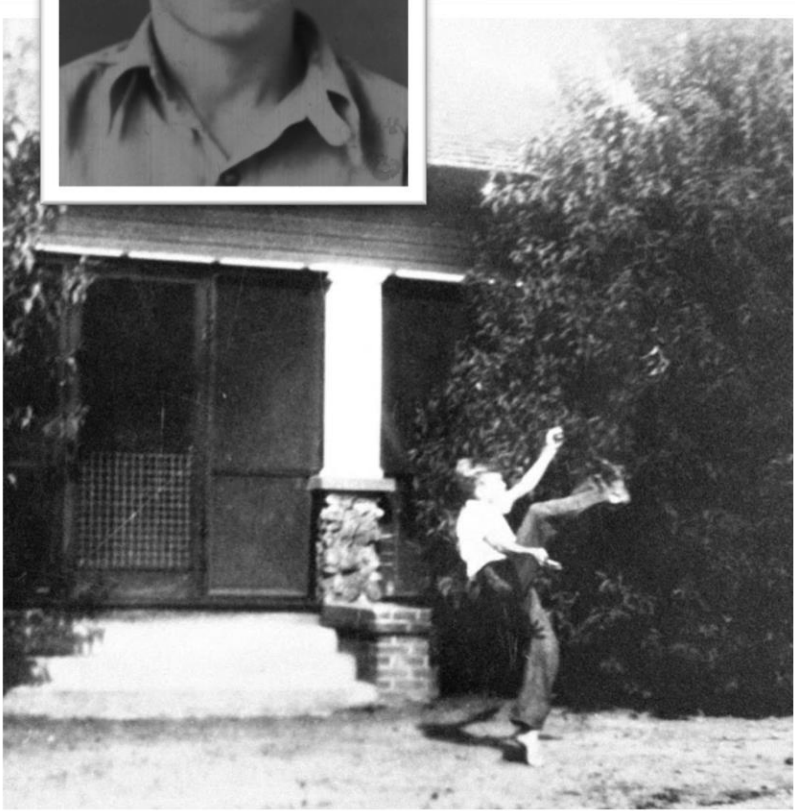

**Butter Beans**

**Watermelon**

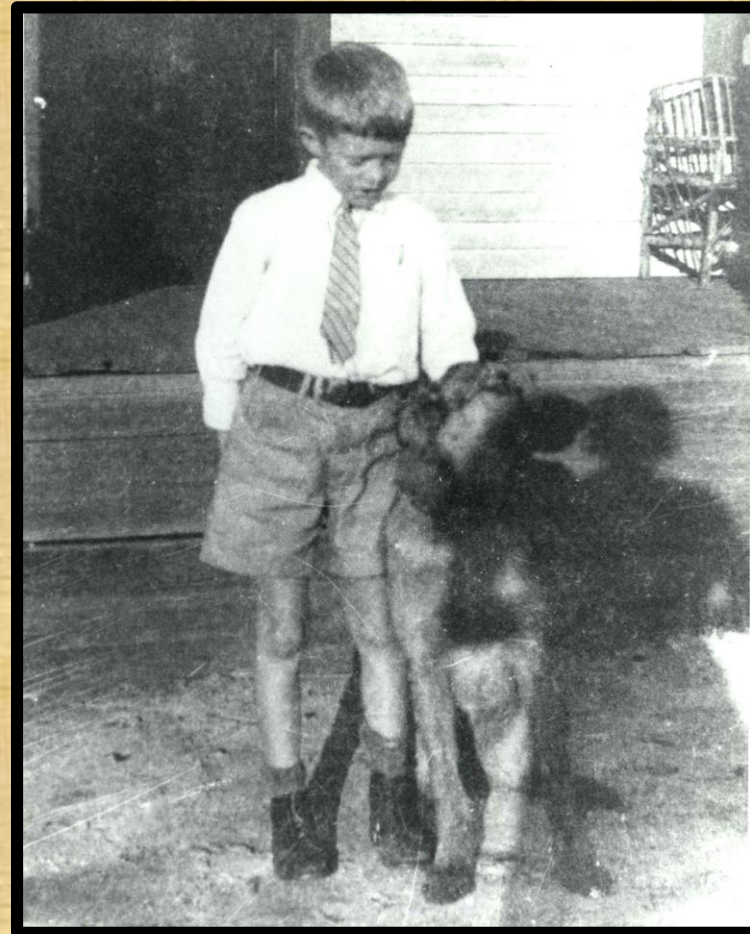

**The vegetables and fruit from the garden helped Jimmy grow strong so he could learn, work, and play.**

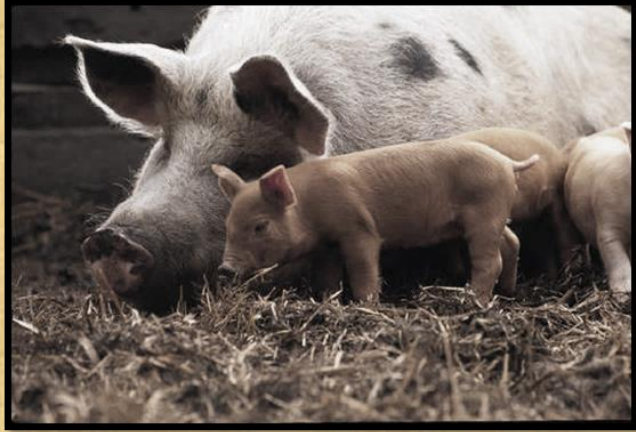

**Jimmy helped care for  
the animals on the farm**

These are some of the animals that lived on the Carter farm.

Pigs

Chickens

Goats

Mules

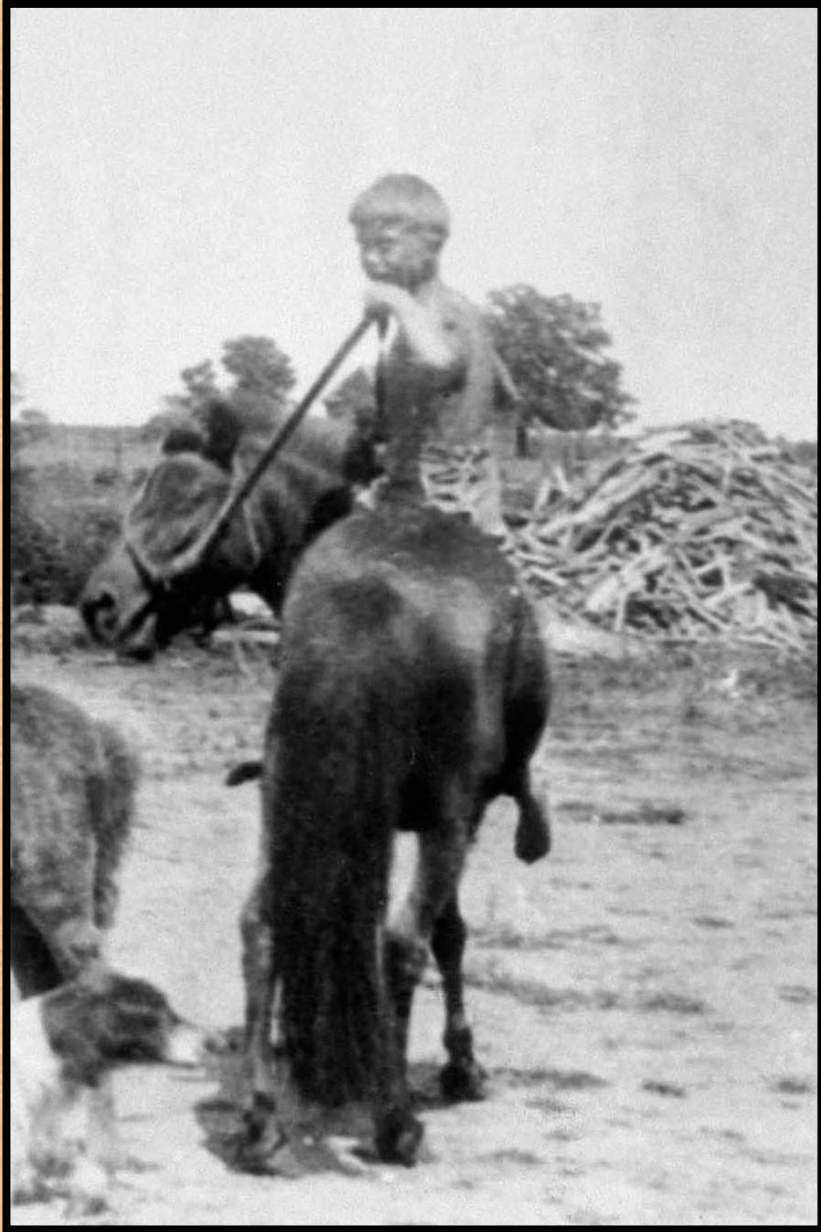

Cows

Cats

**Animals were needed for transportation, labor, and food.**

**Jimmy Carter grew up on a farm. He learned to work hard, respect the land, and help others. Jimmy Carter grew up to be the 39<sup>th</sup> President of the United States.**

# What did you learn about Jimmy Carter's farm ?

- How did Jimmy Carter help on the farm ?
- What are some of the animals that lived on the farm ?
- What were animals used for on the farm ?
- What grows from a seed ?
- What are three things seeds need to grow into plants ?
- What are some plants that grew in the Carter's garden ?
- Jimmy Carter grew up to become the 39<sup>th</sup> \_\_\_\_\_.
